Golf at Marina de la Torre

Marina de la Torre is a new and exciting golf course for Almeria. Surrounded by Mediterranean seas, and located between Garrucha and Mojacar, the course offers wonderful views of the ocean and colourful patches of laboured landscapes.

With 18 holes and a 72 Par, Ramón Espinosa's golf course design includes three lakes strategically situated giving you a comfortable environment of peaceful and delightful surroundings. Each hole provides different angles and views making the game more challenging and enabling you to use your complete set of clubs.

Two distinct nines on either side of a hill and a mixture of undulating terrain and parkland combine well to produce a challenge to all golfers.
